Great feast in Domodossola with "Giugnoinsieme"

The most important feast of Domodossola is back. The big event "Giugnoinsieme", unmissable early summer event for years, with solidarity, food and drink, shopping and music. Starting from Friday, June 15th, until Monday, 25th, at the historical Matteotti Square there will be many events able to draw large crowds. Concerts, theater and dance...free shows...under the stars! Wide space also to enogastronomy with the big restaurant that will offer a different menu every night, each of them strictly based on local products. Among the many evenings in program it stands out the

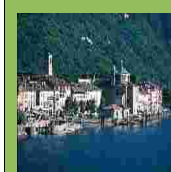

participation of three great voices of the Italian scene: on Tuesday, 19th there will be Fausto Leali, on Sunday, 24th it will be the turn of Irene Fornaciari, famous daughter of the singer Zucchero and finally on Monday, 25th the young Arisa. Three concerts not to be missed!
 Also this year there will be a rich bank of charity...and many stalls along the main streets of the town. The perfect occasion to discover the local products and do a little shopping!
