## Achille Succi and Simone Prando at the Ancient Quarry!

The musical Thursdays of the Festival "Il Marmo in concerto" go on at the Ancient Quarry of Ornavasso. On Thursday, July 18<sup>th</sup> will take place the concert of the well known saxophonist, jazz composer and clarinetist Achille Succi together with Simone Prando, very talented bass player. The unusual duo will be accompanied by the dripping water, by the sound of the waterfall and the scent of marble to offer the public a unique experience based on pure improvisation.

The audience will be then transported in a multisensory journey to become part of the stone and of the music. The evening offers, as every Thursday, two different replicas, the first at 6.30 and the second at 9 pm. Tickets can be booked online at [www.lagomaggiorefamily.org/prenota](http://www.lagomaggiorefamily.org/prenota) or by telephone at the following numbers: +39 0324.346102/5 - +39 366.5314145
