"ScopriArona": guided tours to the churches and monuments of the city

February 21st is the International Day of the Tourist Guides. The guides of the Association "ProntoGuide" offer the opportunity for a series of guided tours.

This year was chosen one only destination: Arona, with its monuments and churches.

On Saturday, February 23rd, was organized "ScopriArona", a sort of treasure hunt that ends with the withdrawal of a prize for those who can document the visit to at least three of the visitable sites. Tours will take place from 2.30 to 5 pm and each will last about 30 minutes. The sites to be

visited will be: the Church of Santi Martiri, the Church of San Giuseppe, the Church of the Madonna di Loreto, the Parc of the Rocca Borromea, the Church and the Statue of San Carlo.

Visitors can begin their journey from any visitable site and receive from the guide a postcard with the list of the sites that will be stamped after each visit. For further information please visit the website www.prontoguide.it
