Formazza Valley, the Waterfall of Toce opens for the season!

New tourist season at the Waterfall of Toce. The waters will return to wet the rocks of the jump starting from Sunday, June, 3rd. The Waterfall of Toce, situated in the Formazza Valley, is the second highest waterfall of Europe with its 143 meters and represents a valid reason to visit this fascinating valley. The waters that feed the Waterfall of Toce arise from a pure source located near the Passo Gries, that divides Italy from Switzerland. The waters are then collected in the beautiful reservoir of Lake Morasco and from here, only in some periods of the year, are made to flow down the

valley, giving rise to a truly wonderful view. Starting from June, 10th the waterfall is open everyday with the following visiting hours: from Monday to Saturday from 11.30 am to 1.30 pm, on Sundays from 10 am to 4 pm. From August, 10th to 20th from 10 am to 4 pm. On August, 15th and 16th from 10 am to 6 pm. Last opening day on Sunday, September 30th from 10 am to 4 pm. At the Waterfall of Toce it will take place the first appointment with "Fiori di Fuoco 2012", world championship of fireworks.
