In Baveno, second week end for "Sapori di Lago"

After the past week end of August 30th and 31st. Sep 1st, "Sapori di Lago" is back in Baveno from September 6th to 8th. A new three-days to taste the traditional dishes and not only. An event not to be missed for all gourmets who will be able to enjoy the lake specialities prepared by the best chefs of the territory. The event will open its kitchens to all the lovers of lake fish. In addition, there will be some night fishing trips, organized by the fishermen of the

Island Superiore and from Pesca Turismo F.lli Ruffoni. The lake offers visitors an enchanting landscape but it also offers a sensory experience with the taste and smells. The traditional cuisine highlights local products, including of course the fish from the lake, an important ingredient in many delicious recipes. Do not miss the chance to taste some excellent food in Baveno!
