Spend your magic Valentine's Day in the Vigizzo Valley!

The 10th edition of the event "M'illumino di meno" will take place in Santa Maria Maggiore on Friday, February 14th and Saturday, February 15th: a mix of events to celebrate Valentine's Day in the name of renewable energy sources. The city of Santa Maria Maggiore has created a rich program of initiatives related to culture, sport, nature, enogastronomy of excellence and art. Events of different kinds but with a common denominator: great attention to

the environmental issue and the willingness to reward all couples who decide to spend the Valentine's Day and maybe even the whole week end in Santa Maria Maggiore, in the beautiful Vigizzo Valley. For ski lovers: at the Piana di Vigizzo all couples can take advantage of a special promotion: skipass at the special price of € 13 for men (on Saturday at € 24) while women will ski for free!
