Springtime is coming...time for the seasonal openings!

Springtime is coming...and like every year in the territory of the Distretto Turistico dei Laghi, Monti e Valli this means seasonal openings. With great pleasure we announce the reopening of the Botanical Gardens of Villa Taranto in Verbania, after the violent cloudburst in last August, on March 16th. On March 16th will also reopen the gardens in Borromeo's dominions on Lake Maggiore, Isola Bella and Isola Madre, with their wonderful plants and flowers. On March 16th and 17th the typical

Citrus Fruits Festival of Cannero Riviera called "Gli agrumi di Cannero Riviera" comes back with its 6th edition in the nice and sunny town of northern Lake Maggiore. The festival will delight the visitors by exhibiting a fruits series that is traditionally cultivated there thank to the mild climate of the area. On March 15th in Arona, the Park of the Rocca Borromeo, an ideal place to have a relaxing walk close to the town centre, will open for the season. Info: +39 0323 30416
