The Chicago Stompers at the Ossola Music Festival

On November, Friday 25th, at the Theatre "La Fabbrica" in Villadossola, there will be the second appointment of the "Ossola Music Festival", event organized by the Department of Culture of the Mountain Community of Ossola Valleys in collaboration with the Tourist District of Lakes, Mountains and Valleys, the Foundation Bank of Intra Onlus, the City of Villadossola and the Cultural Centre "La Fabbrica". On stage, the Chicago Stompers, a group of young people who reproduce

orchestras of the years between 1920 and 1930. A very special repertoire, with a distinctive sound which has a great appreciation and a renewed interest. The young members of the Chicago Stompers have embarked on a personal journey of re-reading of old scores by adding a touch of Italian irony.

Cost of the ticket € 15,00 (for children under 10 years € 10).
