Spend your Easter and Easter Monday between lakes and mountains!

Events, art trails, routes in the charming marble quarries, special openings, flower gardens and spiritual tours in the Sacred Mountains, and all the offers for a stay between lakes and mountains...all this and much more for your Easter Holidays in the Distretto dei Laghi! Among the various proposals we suggest to visit one of the botanical gardens of the area such as Villa Taranto, the gardens of the Borromeo Islands, the Park of Villapallavicino and the Garden Alpina in Stresa. In Arona you can visit the Colosso of San Carlo, the second highest statue in

the world. On Easter Monday there will be a special opening of the Ancient Quarry of Ornavasso and during the day you can take a walk with the ponies along the Linea Cadorna or a carriage ride along the Path of Marbles. Easter also coincides with wonderful art paths: from the Sacred Mountains to the "Path of Art" event in Trarego Viggiona from March 29th to April 1st. Finally we mention the opening of the "Museo del Paesaggio" in Verbania on Easter and Easter Monday.
